

HERE ARE SOME REASONS WHY WOMEN LOOK TO *MARY KAY* FOR A CAREER !

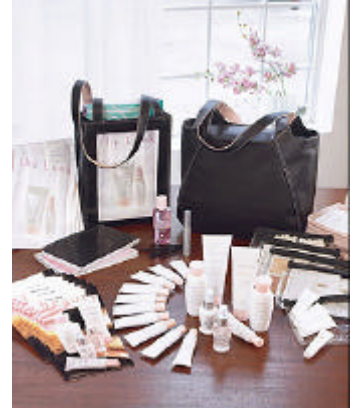

MONEY! We are the largest direct seller of skin care & color cosmetics in the world. Money is important in MK. We make 50% of everything we sell. We buy for \$1 and sell for \$2. The average consultant makes \$50 - \$100 an hour!

CARS! What could you do with your car and insurance payment money each month over the next __ years??

The cost to get started? This is not like signing up to have a baby or buy a house. It is only a Walmart decision. Only \$100+ tax gets you over \$300 in full sized products. Plus samples, training & supplies .

Advantages of owning your own business & Being your own Boss!

Flexibility, set your own schedule!

Tax Breaks!

Quality products with a 100% satisfaction guarantee!

Ongoing training and support!

RECOGNITION

PRIZES! When was the last time your family or job recognized you for a job well done?

Self Confidence & Personal Growth!

Most all of us have some level of a confidence issue. MK rewards us for the little things and with a positive environment we grow in our business and we become more confident.

Qualities we look for in a consultant:

NOT the sales type.
Likes people.
Willing to learn.
Integrity. Work Ethic.
Wants more. Needs more.

Mary Kay Philosophy.

Faith First. Family Second. Career Third.

Follow the Golden Rule.

Live your life in balance and be more productive.

Could this be for you? Are you willing to try?

The worst thing that could happen is you would get your products for ½ price. The best thing that could happen is you could build a multi-million dollar business. **It is all up to YOU!**

IS there any reason why we can not get you started today?
