

HOW TO ACCESS UNITNET WEBSITES.

If you have a Unitnet website enter the UserName and Password and your request for access will be processed in the next 24 hours. You will receive an email granting/denying access from the website owner.

- 1 If you do not have a Unitnet website yet follow these instructions:
At the bottom of the first page you will need to CLICK ON “Free Unitnet Visitor Pass” and apply for a Visitor Pass.

Welcome to my UnitNet Web Page

- UnitNet members, use the username and password that you use to update your own site.
- Visitors, use your email address and password of your UnitNet Visitor Pass.

UserName:

Password: Login

[This screen is new. I need HELP](#)

[I know the old site password](#)

Visitors to this site: For security and privacy, please sign up for a [Free UnitNet Visitor Pass](#) to access this site

- 2 After you have signed up for a Visitor Pass you will receive an email and must follow the instructions in the email to activate your Unitnet Visitor Pass. It will look like the email below (with the the dark areas being personal information regarding the account you signed up for).

From: unitnetaccess@unitnet.com

To: [redacted]

Cc: [redacted]

Subject: Your UnitNet Visitor Activation

Welcome to UnitNet
This is to activate your UnitNet Visitor account. This is your activation key [redacted]

This is your activation key:

Username: [redacted]
Password: [redacted]

Your account is currently inactive. You cannot use it until you visit the following link:
[http://unitnet.com/servlet/publicServlet?method=act&u=107078&key=\[redacted\]](http://unitnet.com/servlet/publicServlet?method=act&u=107078&key=[redacted])

You can also log into your UnitNet Site and enter this activation key [redacted]
<http://unitnet.com/servlet/publicServlet?method=publicHome>

Thank you for registering.

UnitNet Inc.

- 3 ***YOU WILL ALSO RECEIVE AN EMAIL FROM THE WEBSITE YOU ARE TRYING TO ACCESS GRANTING (OR DENYING) PERMISSION TO ACCESS before YOU CAN ACCESS THE WEBSITE!!!***

- 4 After you have activated your Unitnet account and received your Access email from the website you want to access you can go to that Unitnet Website and sign-in using the UserName and Password given to you in the Unitnet “Activation” email (see above).

Welcome to my UnitNet Web Page

- UnitNet members, use the username and password that you use to update your own site.
