

Let's Go Shopping!

Give each person a Fall/Holiday 2009 Look Book. You read the clues...the first one to shout out the page # gets the gift passed to her. Whoever has it at the end, keeps it! Use something small, but beautifully wrapped, for the gift. It's the search that makes this game fun! Super way to introduce new products and a new Look Book. I update this game for each new issue and my consultants love it. Don't know who had the original idea, but I've done this for years for my unit. It's a terrific icebreaker for guest events, product previews, or even a business debut. If you do it with both consultants and guests, only the guests play for the prize. Have fun!
