12 Days of Christmas Script for Consultants

Hi _____, this is _____ from Mary Kay Cosmetics, how are you? (I am _____'s (wife's name) beauty consultant.) You probably think I am calling to speak to your wife but today I am not, I am actually calling to speak with you! Do you have a couple quick minutes? Great!

_____, I know you probably have not given Christmas a first, let alone second thought this year am I right? Well, this year I would love to help you out and make Santa, ...that would be you, ...Look Really Good!

I have a SENSATIONAL gift idea for you! It's called the 12 Days of Christmas. Its remarkable presentation really WOWs women and they go crazy over it.

I would love to be able to show it to you. Is there a time when we could get together either at your home, mine, or even at your work place? There is no obligation for you to purchase it, I just want you to see it and get your opinion.

_____, I have 3 different options and 3 different price ranges and I know what _____ likes.

Some men choose for their wives to open one package each of the 12 days of Christmas, hence the name. Others leave the 12 gifts for Christmas Eve or on Christmas Morning—, to be opened all at once—either way she will be shocked that you went to so much trouble and in reality, I am going to do all the work for you and give you all the glory, doesn't that sound good?

I have a Tower of 12 boxes all wrapped together with a beautiful flowing bow on top that stands 3 and a half foot tall, I have a set of 12 miscellaneous colorful premium quality matching bags, & boxes, and thirdly I have a basket of wrapped smaller boxes commonly known as pillow treats which can be left on the pillow, by the coffee pot, or wherever she will find one each day. Pricing is the same no matter which packaging options you like best.

We can even add a piece of jewelry or other items to this beautiful gift display if you chose to.

I also have smaller gifts if there is a co-worker, employee, or anyone else that you typically buy for. I can easily show you a few of those too.

What would work out best for you, you stop by here, me stop by there, or at work?
Are you available _____?
