

*A woman wears so many hats  
**one should be a crown!**  
So today I've come to celebrate  
you as the greatest **wife** in town.*

*You love, you care, you make me smile,  
what fun we have together.  
I'm thankful you were brought my way,  
we laugh no matter the weather.*

*This little token isn't much  
but it will help me say ...  
Merry Christmas as I crown you  
**Queen for the Day!***

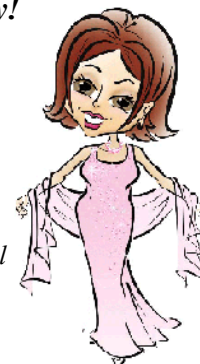

*This entitles you to a complete facial  
and glamour makeover plus a  
\$ \_\_\_\_\_ Gift Certificate*
