And with all the changes and troubles affecting the market today, it is more important than ever to show them how valuable they are to your organization!

Mary Kay Inc. offers several professional services designed to help you enhance employee loyalty, make a good impression with your clients, and give back to the community. As well, since time is one of the most valuable commodities in business today, all of our services are designed to deliver fantastic results with minimal time and effort on your part. What could be better?

Mid-Day Escapes

Have you been looking for a way to give your employees extra perks to boost their morale and company loyalty, but without breaking your budget? Let us come in and pamper your people at no cost to them or to you. Our Mid-Day Escapes are quick 30-minute presentations that will refresh and rejuvenate your employees...and often, a short break from their hectic schedules can help them be more productive!

Incentive/Recognition Gifts

Reward and recognize employees for their special contributions, whether for a specific project or holiday or for on-going efforts. We offer a variety of unique gifts for men or women that are of the highest quality and will last for months after the gift is received. If you already have an employee incentive program, we can help you add a personal touch that will make the gift even more meaningful to the recipient. Volume discounts are available. (Gift certificates toward purchases are offered also.)

Vendor Discount Days

Offer your employees the convenience of shopping at work. We will spend a morning and/or afternoon at your location showing an attractive display of beautiful gifts in a wide range of prices. Employees may purchase prepackaged gift sets on the spot, and/or order their gifts for future delivery. Also, they will avoid the hassle of shopping in crowded malls and department stores, plus receive a special discount on their purchases. Your employees will appreciate your thoughtfulness, and you will benefit by reducing time lost through extended lunch hours or other unplanned absences!

Executive Gift Service

Do you have difficulty finding beautiful gifts that are appropriate for your clients, partners, and associates? If so, we have a solution. Tell us what your budget is and we will prepare elegant gifts, ready for you to give – and can even include company logo items if desired. Prices range from \$10 to \$250, and all Mary Kay products are 100% satisfaction guaranteed. For a preview of our products for men, women, and children, refer to my website:

We will work with you to choose the best option for your company, and to put the "Fun" back in Fundraising.
