

Dear service member,

My name is \_\_\_\_\_, and I am an Independent Mary Kay Beauty Consultant. I have the MOST FANTASTIC idea for you to surprise your wife or girlfriend for Christmas. And oh boy, am I going to make you look great! It is called the '12 DAYS OF CHRISTMAS'. Let me share it with you.

On December 12, I will deliver a huge gold basket filled with 12 gorgeous and individually wrapped gifts. Each gift will be numbered and include the 12 Days of Christmas poem, one for her to open each day, leading up to Christmas. Doesn't that sound fantastic! SHE WILL LOVE YOU for the exciting idea and that you thought of her even though you could not be together.

I offer two baskets, one at \$129 plus tax, filled with all sorts of pampering items to make her feel special. The other is \$299 plus tax and is absolutely breath taking. It is filled with incredible pampering items also and then some! She will be speechless!

Each basket can be paid for by credit card on my secure website at [www.marykay.com](http://www.marykay.com)

The \$299 basket can be paid for in 2 installments.

The first installment will be due upon ordering (\$172.67) and the second installment on Dec. 12 (\$149.50), when it will be delivered.

Please feel free to email me with your order or any questions you may have at

Thank you, from the bottom of my grateful heart, for all the sacrifices you are making for our country. You are in my prayers.

Sincerely,
