Dear Santa,

I know you're extra busy this Holiday Season, & you work so hard to make it Brighter... I met your Santa's Helper today, & she said she'd love to help you shop! So Santa, if my name is on your list, & you'd like to cross it off after you've checked it twice, here's a few hints at what I'd love to find this year:

And Santa, she'll even gift wrap and deliver to you, so you can take a day or two off and rest up for the Big Day!
