Face Masking

Here's a great way to pamper yourself as cold weather sets in! Why not try a Mary Kay Satin Lips® Lip Mask teamed up with an Indulge™ Soothing Eye Gel and a facial mask that's just right for your skin type?

Unnecessary Roughness

Smooth skin's rough spots with Satin Hands® Pampering Set, TimeWise® Visibly Fit Body Lotion, Intense Moisturizing Cream or Oil-Free Hydrating Gel and Satin Lips® Lip Balm.

Roughing the Kicker

Feet deserve pampering, too, and the Mint Bliss Energizing Lotion for Feet and Legs is just the product to do it. This cool mint formula helps tired feet and legs feel revived so you can stay in the game!

Offsides

Help keep your lipstick and lip gloss from going outside the line with the Mary Kay Lip Liner Pencil. It helps prevent lipstick and lip gloss from feathering and bleeding.

Illegal Hands to the Face

You don't have to use your fingers to apply your makeup when you can use the luxurious Mary Kay Brush Set instead. These five fabulous brushes can help you apply makeup like a pro!

Illegal Motion

With Mary Kay Eye Primer, your eye color stays perfectly in place without creasing or smudging.

Ineligible Man Down Field

You are an important part of my team. As a thank you, I'd like to offer you a special gift for each friend or family member you refer to me who does not use Mary Kay® products or who currently does not have a Mary Kay Independent Beauty Consultant.

Delay of Game

Don't delay! There's never been a better time to try a fresh new look, especially with the holidays right around the corner. I'd love for you to be one of my models. I'll have a special gift just for you!
