"The Pillow Gift"

The most important one to give your sweetheart for all she does for you....for all she means to you...a gift certificate wrapped in a tiny box to be left on her pillow Christmas Eve....or even better Christmas day night with this poem attached...

This is a PILLOW GIFT as you can see
Given with love to you, from me
Given because I'm glad that you're in my life
Because I am so grateful you are my wife
Given because I appreciate all that you do
Because life wouldn't be the same without you
Given with all the love I can give
For a wonderful life, as long as we live!
Merry Christmas, Darling,
Thank you for all the things you do to make my life special!
