

New Mary Kay Compact

Have you heard the good news? Mary Kay has released their newest compact and it's simply better than ever! The new compact can be customized in the way that you choose, because of it's magnetic refill system that allows you to totally change it up any and every day! This compact comes in a black color! Fabulous! Feel beautiful, on trend and clever with the compact!

And now customize your compact with the all new mineral based colors! These colors are formulated to absorb oil and to be easy to apply. They also are fade-resistant and will pit perfectly in your compact. How natural!

Call me today to book an appointment to see and try it all! Or give me a call to place your order for you today!
