

Mary Kay Easter Scavenger Hunt

Laugh at the silliness and begin with, "Excuse me.... you are going to think I'm crazy, but I'm in a Mary Kay Scavenger Hunt and your description is on here.

My fun job today is to give you one of our Happy Easter egg gifts which has a fun sample of Mary Kay's newest_____. AND if you fill out this line on my contest sheet, you'll be entered into a drawing for your choice of either this beautiful black tote bag for spring or the full size product of whatever sample is in your Easter egg!!

Drawing will be in 3 days! All I need to do is call tomorrow to get your opinion on the sample. Which would be the better place to catch up with you...work or home?

This is such a busy week for me—as I know it is for you too...It may even the day after tomorrow. Would that be okay??
