

Dear BOOtiful Lady,

Happy Halloween

I'd like to "Treat" you to a complimentary facial
There really are no "Tricks"
You can try any of our products for FREE!
Then I'd get to know you and
You'd get to know me!

And should you decide to shop while you're here
This card is worth \$5 towards what you choose
Share your time with a friend and double it to \$10!

I look forward to meeting YOU!
Reach me with the info on the other side.
