Show on the Go!

Thank you for accepting my invitation to be a "***Show on the Go***" Hostess. I am excited to work with you to make this successful for you and for me as well.

The instructions are simple...sell everything in the bag (or the equivalent of $200+). If someone needs an item that is not in the bag, just have them "order" it from you. This purchase will be included in your total to help you reach the $200+ mark. Just call and let me know what the product is so that I can bring it to you.

What is in it for me you ask???
