Customer Delivery Service

Starting summer 2009, **STAR CONSULTANTS** can have products shipped directly from MK to their customers! **Orders arrive in a beautiful tissue-filled box.** When opened, the inside lid contains the message “Hello Gorgeous.” Optional package inserts can be added—samplers, Gift with Purchase, Thank You note, recruiting and/or sales literature. An \$8.75 shipping, handling and service fee applies to each order. Testing of the Customer Delivery Service begins in February for all Star Sales Directors and is expected to open to Star Consultants in Summer 2009.
